All proposals for alteration or addition to Rules and General Championship conditions to be brought before the Annual Council Meeting must reach the Hon. Secretary by 30th June. The Championship Conditions for individual disciplines may be amended by the Executive Committee on the recommendation of the relevant committee.

GENERAL CHAMPIONSHIP CONDITIONS

[conditions 1-11 are applicable for all disciplines]

1 The Championships shall be held in accordance with ASA Laws and ASA Technical Laws.

2 Championships shall be conducted annually upon dates and at venues to be fixed by the relevant discipline committee.

3 Individual Championships shall be open to competitors as defined by the ASA General Competition Laws who, since 1 October of the year preceding the year of the Championships, have been in continuous membership of clubs affiliated to the Association, except where provided in individual discipline conditions.

4 For Team Championships the General Championships conditions together with the following additional conditions shall apply:

4.1 Team Championships shall be open to all clubs affiliated to the Association.

4.2 Deleted.

4.3 The Individual Championship 'eligibility' condition 3 above shall apply to each member of the team.

5 A competitor entered in the name of one club for an event in any discipline may not be entered for another event in that discipline in the name of another club during that Calendar year except with the agreement of the relevant discipline committee and the clubs concerned.

6 A competitor who has competed in the Championships of another County shall not be eligible to compete in the Association's Championships in the same discipline in the same calendar year. In the case of a competitor removing from the County, he shall be eligible to compete during the year whilst qualifying to compete in the Championships of another County.

7 Entry Fees

7.1 The entry fee for each individual Senior and Junior Championship and Team Championships shall be determined by the relevant discipline committee.

7.2 If an entry is incorrect then the entry fee shall be forfeited.

8 The age of competitors in Junior Individual and Team Championships shall be subject to specific discipline conditions.

9 In Junior Championships the date of birth of the competitor must be stated on the entry form. In the case of Team Championships the date of birth of each competitor must be shown on the entry form or the team declaration. Birth certificates or appropriate evidence must be produced if requested by the Executive.

10 Any dispute or question arising that the foregoing conditions do not provide for shall be determined in the first instance by the relevant discipline committee and thereafter by the Executive.

11 Any holder of a trophy who fails to return that trophy by the specified date shall not be allowed to take custody of any trophies which he or she might be awarded during the County Championships in that calendar year.

SWIMMING

12 All Championships shall be held in still-water, in pools not less than 25 metres in length. Any movement of the water due to the normal operation of the filter system may be disregarded.

13. Entries shall be made in accordance with the published entry procedure before the specified closing date.

13.1 Swimmers must have equalled or bettered, during the twelve months prior to the cut off date specified, the entry time set by the Swimming committee for each event entered. Such times (with the exception of the 800m and 1500m freestyle) must have been achieved at ASA licensed meets (levels 1 - 4) where the results have been posted on to the ASA Rankings database by the closing date.

13.2 Entry times for the 800m and 1500m freestyle can be achieved in any competition, however preference will be given to competitors who have entered with times on ASA Rankings.

13.3 Entry times can be 25 metre times or converted from 50m times using the Equivalent Performance conversion tool provided by the County Association and based on tables published by the ASA.

13.4 Documentary evidence of the competitor's submitted time may be requested by the Swimming Committee.

14. Individual Championships shall be open to a competitor as defined by the ASA General Competition Laws who at the closing date for entries is a member of a club affiliated to the Association and is registered with the ASA with Category 2 membership.

15. Swimmers shall be entered in the programme and shall compete in time order, fastest first (except swimmers will compete slowest first in the 400m, 800m and 1500m freestyle events). Only under exceptional circumstances shall a competitor be allowed to compete out of programme order and then only by permission of the Referee and/or Championship Secretary.

16. Unless at least two competitors or teams swim, the race will not be held, except that the holder of an Individual Championship shall be entitled to swim over and hereby retain the title having made a valid entry in accordance with these Conditions.

17. 17.1 All events of 200 metres or longer and the 100m Individual Medley will be decided on heat time classification. The results of the other events shall be decided by finals,

17.2 Competitors in the Junior Individual Championships shall be 14 years of age and under on the last day of the county championships competition.

17.3 The Junior Team Championship shall be for teams comprising swimmers meeting the BAGCAT qualification criteria in the County Age Conditions.

17.4 The fastest 8 swimmers shall swim in the Championship final, and there shall be two reserve swimmers. The finish order in the Championship final shall determine the Championship placings.

17.5 The fastest 8 junior swimmers, excluding any junior swimmers who have won a place in the Championship final, shall swim in the Junior final, and there shall be four reserve swimmers. The finish order in the Junior final shall determine the Junior Championship placing, except where junior swimmers are placed in the Championship final. In such cases all junior swimmers placed in the Championship final will be placed, in finish order, above the Junior final winner; regardless of the respective times achieved in the finals.

17.6 Where swimmers withdraw from finals, reserve swimmers shall take their place. A junior reserve swimmer promoted to swim in the Championship final will automatically be withdrawn from the Junior final. Names of finalists and reserves shall be publicly announced as soon as possible after the completion of the heats. There will be no swim offs for equal placed swimmers and in such cases the number of swimmers in the Championship and Junior finals shall be reduced as necessary.

17.5 Medals shall be awarded to the first, second and third in each competition.

18. All officials shall be appointed or approved by the Executive.

19 Inter-Club Aggregate Competition – Men and Women

19.1 Points shall be awarded for up to the first six competitors in the event, in the men's and women's championships only, including team events, in the following manner: Winner 6 points; Second 5 points; Third 4 points; Fourth 3 points; Fifth 2 points; Sixth 1 point. No two clubs can make use of the same competitor for the purpose of counting points in these competitors in any one year.

19.2 The total number of points obtained by the Club shall be added together on completion of the Championships and the Club obtaining the highest aggregate shall be declared the winner. In the event of a dead heat on aggregate points of the Clubs concerned shall be declared joint winners.
