## Meet Conditions and Entry Pack

### Introduction

The meet is promoted by the Berkshire & South Buckinghamshire ASA. Any enquiries should be addressed to the entries secretary by email to [developmentmeet@bsbasa.org](mailto:developmentmeet@bsbasa.org).

The meet will take place on **13<sup>th</sup> October 2024 at Braywick Leisure Centre**, Maidenhead, SL6 1BN. The pool is 25m long (short course), with 10 lanes and AOE (electronic timing).

The meet will be run under Swim England Laws & Technical Rules of Racing. No jury of appeal will be appointed.

This Meet has been licensed at Level 3 by Swim England. Times recorded at the meet will be sent to Swim England for inclusion in the National Rankings database, and as such will be valid for entry into County and Regional Competitions and Championships.

On the day of the meet, all swimmers will need to register and confirm they are swimming in the events which they have been accepted for. There will be separate registrations for each session. Swimmers that do not register will be withdrawn from all their events in that session.

### Eligibility

This meet is open to swimmers from clubs affiliated to Berkshire & South Buckinghamshire ASA and is aimed at swimmers looking to achieve county consideration times. The upper limit times have been set to reflect this.

### Entry procedure

All entries must be made via your swimming club. Clubs may set out their own entry procedures. Club entries must be submitted before the **closing date of 22<sup>nd</sup> September 2024**.

Entries must be made in electronic format using the *SportSystem Entry Manager* software or by submitting an SD3 format file (e.g. TeamUnify). The entry files will be issued to the nominated club representatives by email together with additional information on the entry process and payment instructions. Nominations and entry files should be submitted by email to [developmentmeet@bsbasa.org](mailto:developmentmeet@bsbasa.org).

The entry fee is £7.50 per swim for the individual events and £12 per relay team plus any internal club administration costs. Entry fees should be paid directly to your club.

A list of accepted/rejected entries, together with key swimmer information will be posted at [www.bsbasa.org](http://www.bsbasa.org) as soon as possible after the closing date.

## **Qualifying and Upper Limit Times**

For the 2024 meet we are including qualifying times as well as upper limit times. Qualifying and Upper Limit Times are provided below.

All entry times should be short course (or converted long course) and must have been achieved at licenced meets (Level 4 and above) since 1<sup>st</sup> October 2023.

If a swimmer has achieved a time in Rankings faster than the Upper Limit Time of an event since 1<sup>st</sup> October 2023 at the time of entering, they will not be eligible to enter that event; although they will still be eligible for other events where they are slower than the Upper Limit Time.

There are no qualifying times for the relay events.

## **Para-Swimmers**

Classified Para-Swimmers in categories 1 - 15, 64 and 99) may enter any event provided they meet the eligibility requirements above. Additionally, the qualifying times may be amended to take into consideration a swimmer's disability (subject to the entries secretary's discretion). Competitors wishing to take advantage of any amended qualifying times should contact the entries secretary at [developmentmeet@bsbasa.org](mailto:developmentmeet@bsbasa.org).

A secondary strobe light for deaf swimmers is available on request. Clubs with S15 swimmers wishing to use the secondary strobe light should make this clear in their entry.

## **Relays**

Clubs may enter more than one team in each event. However, if we need to restrict entries, preference will be given to "A teams" over "B teams" and so on. Swimmers may not swim in more than one relay team in an event.

The names of the swimmers in the relay events do not need to be declared at the time of entry process. The names are declared as part of the registration process on the day of the meet. Estimated entry times should be provided for relay team entries.

Each relay team shall comprise 2 Open/Male and 2 Female category swimmers, who may swim in any order. All team swimmers must have entered at least one individual event (swimmers do not need to swim the same stroke for the relay team) and be 14 years or under.

Clubs will be sent relay team declaration sheets in advance of the meet. The declaration sheets must be completed providing the names and Swim England registration numbers of the swimmers in the order that they will swim. Team declaration sheets must be handed in to the meet administration team before registration closes for the relevant session.

## **Restriction of entries**

It may be necessary to restrict the number of entries to keep the meet running time within the pool time available. Where this is necessary, preference will be given to swimmers with the fastest times taking into account the need to be fair across age groups.

If it has been necessary to restrict the number of swims, a refund will be made for any rejected entries. No refunds will be made for entries withdrawn for any reason after the entry closing date.

## **Programme**

The programme of events for the meet is enclosed below.

The age groups are: 10, 11, 12, 13, 14, 15, 16, and 17 Years.

“Female” and “Open/Male” events will be swum separately. For clarification of the meaning of Female and Open/Male please refer to Swim England’s Transgender and Non-binary Competition policy on the Swim England website.

Entry of swimmers in the “Female” category will be taken as confirmation that their birth sex is female.

All individual events are open to all the age groups.

Age groups are determined by the swimmer’s age on 31<sup>st</sup> December 2024. Swimmers under 10 years old or over 17 years old on 31<sup>st</sup> December 2024 may not enter.

All age groups will be swum together, with heats seeded from submitted entry times, slowest swimmers first. The final heat will be spearheaded.

Medals will be awarded to the fastest three swimmers in each age group, and to the fastest three teams in each relay event. All awards will be made on a Heat Declared Winner basis, there are no finals.

The Promoter reserves the right to amend the Programme to ensure the smooth running of the Meet.

## **Poolside Passes**

All swimmers must be under the direct supervision of their club coaches or team managers. Checks will be made to ensure clubs have bought sufficient poolside passes to meet the minimum supervision requirements set out in the [Swim England Team Manager, Coach and Chaperone Policy](#).

The minimum supervision levels for local single day activity for athletes under 18 years of age is as follows:

<b>Number of Athletes</b>	<b>Minimum number of Supervisors</b>	<b>Minimum number of Coaches</b>	<b>Minimum number of TMs</b>
Up to 10*	2	1	1
20	3	1	2
30	4	1	2
40	5	2	2
50	6	2	3
60	7	2	3

\*Note that for teams of less than 3 swimmers, clubs may risk assess the situation to enable appropriate support for the athletes.

Poolside passes are available at £5 per person and cover admission, start lists and a meet programme. Please note that we will not be providing catering for coaches or team managers.

Poolside passes should be requested and paid for together with the club entry. Additional poolside passes can be purchased later if necessary.

Only coaches and team managers wearing a poolside pass will be allowed on poolside.
