## BSBASA DEVELOPMENT MEET 2025

### A MESSAGE FROM THE PROMOTER

**W**elcome to the Berkshire and South Buckinghamshire Amateur Swimming Association (BSBASA) County Development Meet 2025.

It is great to be back at Braywick again. This is a fantastic facility, and 10 lanes of swimming allows us to include lots of swimmers and a full spread of 50m/100m/200m events. We are looking forward to seeing some great racing, some new PBs, and hopefully some will be good enough to gain those all important consideration times to enter the BSBASA County Championships in January.

The County consideration times, these can be found on the back page of this programme. Remember the age groups for the County Championships are different to the Development Meet, as the age date for Counties is 1 year later, 31<sup>st</sup> December 2026 (so swimmers will be effectively 1 year older).

I would like to thank my colleagues on the County Performance Swimming Events Committee for their support and work throughout the year preparing for this meet and for the upcoming County Championships in January.

Please join me in thanking the officials and volunteers here today. They have all freely given us their time day to make this event possible.

To all the swimmers here today, good luck. I hope you achieve your personal goals. I know it is great to win medals, but this is not the most important thing. Swimming is all about self-improvement, setting a new PB or working on specific aspects of racing to be better prepared in the future.

Just as for any other licenced meet you may attend, it is important to understand that we operate under the Swim England rules and regulations. If the referee determines that a swimmer has broken the rules, they will be disqualified. Receiving a disqualification, or "DQ", can be upsetting but it is important to know what it was for. If your swimmer doesn't know, ask your coach or team manager to find out from the referee. The referee will be more than happy to explain. The rules we follow here are the same for every open meet in the country, so it is important to learn these lessons as soon as possible.

As father of 2 swimmers, I know how much effort and dedication it takes to be a competitive swimmer (and a supporter), well done to you all and please make sure you thank your coaches and TMs.

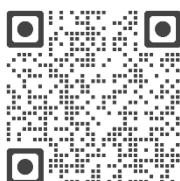

The links and QR codes below will allow you to follow the meet live online. The full results will be posted as soon as possible next week on our website at <https://www.bsbasa.org/> and, all going to plan, they should also appear on Swim England Rankings by Tuesday morning at <https://www.swimmingresults.org/>.

We value your feedback. If you have any views or ideas for improvements to future County meets (This Development meet or the County Championships), please talk to one of our volunteers or your Coach so that they can pass them on to the committee.

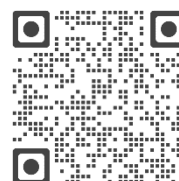

Good luck and swim fast!

## BSBASA DEVELOPMENT MEET 2025

### USE OF PHOTOGRAPHIC EQUIPMENT:

In accordance with the Swim England Child Safeguarding Policies and Procedures, any parents or carers of swimmers under the age of 18 who wish to take photographic or video images are requested to focus on their own child as much as reasonably possible and to avoid including other children in those images, particularly if those images are being shared with family and friends through social media platforms.

**For safeguarding reasons, strictly no photographs are to be taken in the changing area. Offenders will be removed from the meet immediately.**

Please do not use flash photography as this is distracting for the swimmers and officials.

### ACCESS POOLSIDE

For the safety and welfare of all swimmers, spectators and parents are NOT allowed poolside or in the changing area during the meet.

Only volunteers, coaches and team managers with poolside passes will be permitted poolside.

### WARM-UP

The main pool is available for warming up at the start of each session. Warm up times are given in the Schedule of Events on the previous page.

Please listen to the instructions from the announcer who will direct the warm-up. They will indicate which groups of swimmers will warm up at which time, the direction swimmers should swim in and when sprint lanes are available (for practising starts).

### SWIMMING RULES

The meet is being run under the Swim England Laws & Technical Rules of Racing. No jury of appeal will be appointed.

Heats will be run with all ages seeded together based on entry times and the slowest swimmers first. Each heat will be spear headed.

### MEDALS

Medals will be awarded to the top three placed swimmers in each event for each age group (10, 11, 12, 13, 14, 15, 16 & 17). Awards can be collected from the medal table once the official results are posted.

### HEALTH AND SAFETY

All participants must observe the rules and safety precautions in operation at the venue. Swimmers and coaches must ensure that they take no action that could potentially endanger themselves or others.

Please keep fire exits and access routes clear.

We expect the pool deck to be very crowded at times today, particularly at the start of each session. Due to limited space, large bags are not permitted poolside. Swimmers must leave large bags in the changing room lockers provided. You will need to use your own padlock.

It should also be noted that Braywick has security cameras in operation. Possessions and articles must not be left unattended as neither the Promoters nor the leisure centre will accept any liability for any loss or damage that may occur during the meet.

The changing rooms are unisex and will be monitored during the Meet to ensure the safety of all the swimmers.

No wet clothing is allowed in the spectator seating area. Prior to leaving the pool area, swimmers must dry off and put on appropriate clothing and footwear.

If you have any queries or concerns, please discuss then with one of our volunteers or the leisure centre staff.

#### Notes

All times are short course. Ages as at 31<sup>st</sup> December 2026

Consideration times must have been achieved during the period 20<sup>th</sup> December 2024 – 21<sup>st</sup> December 2025 and be recorded in the Swim England rankings database.

These are consideration times only. It may be necessary to reject swimmers who meet the consideration times to keep the length of the sessions within the pool booking time limits, license conditions and what is reasonable for high quality competition.

Consideration times are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.
