(Sub regional body of Swim England South East)

County and Age Group Championships 2020

(Under Swim England Laws and Technical Rules)

Entry Conditions and Procedure

Introduction

1. The County Championships, the County Age Group Championships and the County Para-swimming Championships are run as an integrated meet. The County Championships are governed by the County Championships Conditions approved by the County Management Board. These can be found on the BSBASA website (bsbasa.org). The key requirements of the County Championship Conditions are summarised in this entry procedure document.
2. The format of these championships has changed following feedback from clubs and coaches after last year's championships. Full details of the new format are contained in this entry pack.
3. The Wycombe pool has 8 lanes and features backstroke ledges. All events will be swum long-course and the 20m community pool will be available for warm up during racing and for swim down.
4. Please note that the facilities at Wycombe feature a mixed gender wet side changing village.
5. We will be introducing an accreditation system for swimmers, coaches and team managers for 2020. Accreditation in the form of passes on lanyards will be sent to club contacts for all swimmers, coaches and team managers before the meet for distribution. The system will also apply to officials and volunteers, who will be issued with accreditation on the day. **Only those with accreditation will be permitted on pool side and into the changing rooms. There will be security on duty to enforce this and they will be instructed that there are to be no exceptions.**

Eligibility

6. Competitors who are registered with Swim England as members of clubs affiliated to the County Association on the closing date for entries and have Category 2 Swim England membership may enter individual events. However a competitor may only represent one club in the Championships. Furthermore a competitor who has entered BSBASA Championships in any other discipline held in the same calendar year can only swim in the name of the same club represented in that other Championship. Finally a competitor who has swum in the Championship or Age Group Competitions of another county held in the same calendar year may not enter or swim in these Championships.

A swimmer must also be registered with Swim England as a member of a club affiliated to the Association and have Category 2 Swim England membership on the day of competition. Where this is a different club than the entry club (i.e. where a swimmer has changed their registered club after entering), the swimmer will represent their new club, except if they have already swam in the name of their old club at these Championships or the BSBASA Championships in any other discipline in the same calendar year. In such cases, the swimmer will be allowed to swim but will not represent any club from the point of re-registration.

7. All clubs affiliated to the County Association may enter team events. Individual competitors selected to represent clubs must be eligible to enter individual events in the name of that club, and swimmers can only swim in the teams of one club in these Championships. A swimmer may not compete in more than one team in the same event.

Competitors with disabilities

8. Classified Disability Swimmers may enter any event provided they meet the eligibility requirements above. The normal consideration times for all events will be extended by 25% and the on-line entry system will do this automatically for Classified Disability Swimmers (Categories 1 - 15 and 64). Swimmers awaiting classification (Category 99) may also benefit from the same extension to the consideration times, but will need to email the organisers (championships@bsbasa.org). However, all extensions are subject to the promoter's discretion and may be withdrawn or varied where the extension would adversely affect the competition. The promoters will consider further extension of the consideration time on a case by case basis and competitors wishing to seek an additional extension should email the organisers (championships@bsbasa.org).

The Para-Swimming multi-classification competition awards are described later in this document.

A secondary strobe light for deaf swimmers is available on request. S15 swimmers wishing to use the secondary strobe light should contact the organisers when entering.

Individual Events

9. The following individual events are included in the Championships

Freestyle	50m, 100m, 200m, 400m, 800m, 1500m
Backstroke	50m, 100m, 200m
Butterfly	50m, 100m, 200m
Breaststroke	50m, 100m, 200m
Individual Medley	200m, 400m

10 and 11 year olds may not enter the 800 or 1500m Freestyle or the 400m IM. Swimmers not yet 10 at 31 December 2020 may not enter.

10. There are separate events for male and female competitors.

11. Ages are at 31 December 2020.

Team Events

12. The following team events are included:

Male

Open 4 x 100m Freestyle Team
16 yrs & under 4 x 100m Freestyle Team
12-13 yrs 4 x 100m Freestyle Team
10-11yrs 4 x 50m Freestyle Team

Open 4 x 100m Medley Team
16 yrs & under 4 x 100m Medley Team
12-13 yrs 4 x 100m Medley Team
10-11yrs 4 x 50m Medley Team

Female

Open 4 x 100m Freestyle Team
16 yrs & under 4 x 100m Freestyle Team
12-13 yrs 4 x 100m Freestyle Team
10-11 yrs 4 x 50m Freestyle Team

Open 4 x 100m Medley Team
16 yrs & under 4 x 100m Medley Team
12-13 yrs 4 x 100m Medley Team
10-11 yrs 4 x 50m Medley Team

All ages are at 31 December 2020.

13. There are no minimum consideration times for team events, and it is intended that the County team events should be a good opportunity for swimmers to gain experience of relay team racing. It is therefore expected that there will be a wide range of entry times in each event. Clubs and coaches should ensure that the entry times are appropriate for the team that is expected to swim on the day and think twice about entering teams that are likely to be way below the standard of any of the other competing clubs. It may be necessary to restrict the number of relay teams, in which case clubs will be limited to three relay teams per event and if further restriction is required the teams with the fastest entry times will be accepted,

Entry Procedure - General

14. All entries must be made and paid for on-line at <https://bsbasa.org/meet/BSBAG20>. The entry system will send a confirmation email to the email address provided (so please type this carefully). **Unless you have a confirmation email and a payment confirmation, it is most likely that your entry has been unsuccessful and that you are not entered. Entrants should check the confirmation email carefully, and report any errors immediately.** Please note that entry will be by Swim England Registration Number and only those swimmers who are registered with clubs in the County and who have a Category 2 Swim England registration are permitted to enter.
15. The closing date for submitting and paying for entries is **noon on 24 December 2019**. No entries will be accepted after that time. Once an entry has been made, swimmers may not update the entry times.
16. Entry fees for individual events are £7.00 per event of 200m or less, £9.00 per event for the 400m events, £12.00 per event for the 800m Freestyle and £15 for the 1500m Freestyle. In each case, this includes 50p per swim to cover the costs of the security and accreditation arrangements. Entry fees for the team events are £10.00 per team. No entries will be accepted without payment of the appropriate entry fee. Except where it is not possible to accept entries (see below) entry fees are not refundable whatever the circumstances. Entry fees in respect of an incorrect entry will be forfeit. All entries must be paid for via debit/credit card by following the on-line process.

Use of data

17. Entries for this meet are made via the BSBASA on-line entry system. You can see how the data collected will be used at <https://bsbasa.org/WebEntry/dataPolicy.html>. The data collected will be transferred to the BSBASA meet management system (also held on computers). This information (together with the meet results) may be used
- to contact entrants and their clubs regarding entries and the running of the championships
 - to publish entry information on the BSBASA website once entries have closed
 - to publish results at the championships venue and on the BSBASA website
 - to publish results on a mobile application
 - to compile the County Records and Meet Best Times
 - within the BSBASA handbook
 - for submitting the results to Swim England Rankings
 - to send results to competing clubs (for their swimmers only)

When entering, entrants will be offered the opportunity to elect to receive information about future similar events. Entrants who do not make this election will only be contacted in relation to these championships.

By entering the championships, entrants are consenting for their data (and that of the swimmers) to be used as above, and are accepting and agreeing to abide by these conditions.

Entry Procedure - Individual events

18. Swimmers must have achieved the consideration time during the period 1 January 2019 – 15 December 2019. These times must have been achieved at Swim England licensed meets (Level 1 – 4) and be included in the Swim England Rankings Database or the Swim England Masters Rankings Database at the date of entering. When entering, the on-line entry system will download the fastest short-course time (actual or converted from long course) achieved since 1 January 2019 from the Swim England Rankings database and where this is equal to or faster than the consideration time, this will be the swimmers entry time. It is not possible to amend this time. Conversions from long course (50m) to short-course (25m) will be done using the same methodology as the SPORTSYSTEMS time converter. Only times set in 25m or 50m pools are eligible.
19. Split times from longer events will not be accepted for entry. Relay lead off times will only be accepted where these are attributed to the relevant swimmer for the individual stroke/distance in the Swim England Rankings Database.
20. Swimmers who have elected to keep their membership and ranking information private will not be able to enter using the on-line system. These swimmers should amend their membership status with Swim England and then use the on-line system. Only in very exceptional circumstances, will the Entries Secretary through their discretion allow this condition to be relaxed and even then only after suitable evidence of the circumstances and entry times have been provided which must be at least 7 days prior to the closing date.
21. Please note that meeting the consideration time does not guarantee entry and depending on the volume of entries it may not be possible to accept all entries from swimmers who have achieved the consideration time. Where it is not possible to accept all entries, swimmers with the fastest times will be accepted taking into account the need to be fair between age groups.
22. As in 2019, incorporating the Boys 800m and Girls 1500m freestyle into the programme of events and our pool bookings, whilst still complying with the restrictions of the meet licensing rules, has proved very challenging. As a result, the heats of these events have (exceptionally) been split between sessions. If there is space in the other session, swimmers who would otherwise be rejected may be offered the chance to swim in that other session.
23. Where possible, swimmers who are not accepted may be nominated as reserves, and may be able to swim in the event of withdrawals; though this remains at the sole discretion of the promoter.
24. The consideration times are short-course times, but as noted above converted long-course times may be used. The consideration times are set out at the end of this document and are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.

Entry Procedure - Team events

25. It is not necessary to name the swimmers from whom each team will be selected on the entry form, however the names, dates of birth, Swim England registration numbers, and swim order of the selected swimmers must be declared on the team declaration form which must be posted before the time indicated on the form. All teams must be entered and paid for using the on-line system at bsbasa.org.

Notification of Accepted Swims

26. Entries successfully received by the on-line system can be viewed at any time at <https://bsbasa.org/entries/BSBAG20>, but receipt of entries does not guarantee acceptance. Accepted swims will be posted at bsbasa.org as soon as possible after the closing date. It is the responsibility of swimmers and clubs to check entry details carefully before the meet starts. Processing errors notified before the start of the meet will be corrected. It is most unlikely that errors can be corrected once the meet has started.

Meet details

27. The order of events is shown below. Please note that the session times are provisional and will be confirmed once entries have been processed. Swimmers should consider carefully which events they enter, and in particular the possibility that if they qualify for finals they may need to swim a number of races over a very short period of time. It will not be possible to have a break in the programme to accommodate multiple swims. Swimmers who qualify for finals are expected to swim in those finals, and withdrawals from finals should only occur in exceptional circumstances.

Swimmers whose entries have been accepted, but who do not intend to swim must withdraw. Withdrawal must be notified to each club's designated team manager, who will in turn notify the meet organisers (before the start of the warm-up for each session). Clubs with an unacceptable level of unreported withdrawals (particularly in finals) will be reported to the Performance Swimming Events Committee who may impose a penalty, including a fine.

28. There is a high probability that we will need to restrict the number of swimmers accepted for the longer events (especially the 400m, 800m and 1500m events). Swimmers whose entries have been accepted for these events, but who do not intend to swim will be requested to notify their withdrawal to the organisers as soon as possible before the race day so that reserve swimmers can take their place. **If you are definitely going to withdraw from these events, do not leave it until the day. Withdrawals can be made at any time by email to championships@bsbasa.org.**
29. The list of finalists for events with finals will be published as soon as possible after the heats have been completed. This list of finalists will also contain a "withdraw by time". Finalists (including reserves) who wish to withdraw (which should be in exceptional circumstances, as above) must notify their club's designated team manager, who will in turn notify the meet organisers (before the published "withdraw by" time for the relevant finals). A fine of £10 may be levied on clubs in respect of each finalist (including reserves) who do not compete without having complied with the withdrawal process above. The on-line entry process for future BSBASA performance swimming competitions will be blocked for clubs which have unpaid fines.
30. Team declaration forms for relay events on all 4 days of the Championships must be collected at the start of session 1. These must be completed with the details of the swimmers who will actually compete and must be posted on the day of the event prior to the time stated on the form. If forms are not posted, then swimmers and teams will not be able to swim. It is not necessary to withdraw from these events. No changes to the declared teams can be made after the declaration time shown in the form. Teams who do not swim the declared swimmers in the declared order will be disqualified.
31. All events will be seeded slow to fast. For events with finals, the fastest 3 heats will be cyclically seeded, all other heats will be spearhead seeded. For all other events, all heats will be spearheaded.

32. We will be controlling access from the leisure centre foyer to the changing rooms to provide greater security for swimmers. Only swimmers coaches and team managers who produce their accreditation to the steward will be allowed to enter the changing rooms. Similarly, only swimmers, coaches and team managers wearing accreditation will be allowed on pool side. Accreditation will be issued to clubs and it will be the responsibility of clubs to distribute this to swimmers, coaches and team manager and to ensure they have this with them at all times when entering the changing rooms, stewarding area and on pool side. A charge of £10 will be made for issuing replacement accreditation where the original is lost or left at home.

33. The meet will be held under Swim England Laws and Technical Rules.

Awards

Age group awards

34. Awards will be made to the winners in the following age groups,

10-11 years, 12 years, 13 years, 14 years, 15 years, 16 years, and 17 years and over.

NB 10-11 year olds may not enter the 800 and 1500m freestyle or the 400m IM.

Swimmers not yet 10 at 31 December 2020 may not enter. All ages are at 31 December 2020.

35. Age group awards for events over 100m will be made on a heat declared winner basis.

Age group awards for the 50m and 100m events will be made based on the finish position in the relevant age group final. The fastest 8 swimmers in the heats in each age group will qualify for the relevant age group final and there will be two reserves. Reserves will be promoted to the final in the event of a faster swimmer withdrawing. There will be no swim-offs for equal placed swimmers and in such cases the number of reserves and the number of swimmers in the final shall be reduced as necessary. For the avoidance of doubt, swimmers must swim in the heats even though there may be 8 or fewer swimmers in their age group. Furthermore, swimmers who are disqualified or do not finish in the heats will not qualify for the finals.

Age Group Medals will be awarded for first, second and third place. Ages are at 31 December 2020.

Para-Swimming multi-classification competition awards

36. The 50m and 100m events will include Para-Swimming multi-classification awards. Classified disability swimmers (Categories 1 – 14) will in addition to their age group placing be placed in a multi-classification disability award category. Placing will be done based on British Disability Points based on the times achieved in the heats only. Age Group Medals will be awarded for first, second and third place. Category 64 swimmers will be treated as Category 14 swimmers. Category 99 swimmers (those awaiting classification) and Category 15 swimmers will benefit from the consideration time extension (see 7 above), but are not eligible for the Para-Swimming multi-classification awards. This because, it is not possible to compute British Disability Points for Category 15 and 99 swimmers.

Senior County Championship

37. The Senior County Championship is for swimmers who are 15 years & over at 31 December 2020.
38. For events of 200m and over, the Senior County Championship will be decided on heat times. The Senior County Championship Trophy and a County Championship Gold Medal will be awarded to the Senior swimmer achieving the fastest time in the heats. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.
39. For 50m and 100m events there will be virtual Senior County Championship finals. The times of the swimmers in the 15 years, 16 years, and 17 years and over finals will be taken into a virtual final and the Senior County Championship Trophy and a County Championship Gold Medal will be awarded to the swimmer with the fastest time. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.

Junior County Championship

40. The Junior County Championship is for swimmers who are 14 years & under at 31 December 2020.
41. For events of 200m and over the Junior County Championship will be decided on heat times. The Junior Championship Trophy and a County Championship Gold Medal will be awarded to the Junior swimmer achieving the fastest time in the heats. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.
42. For 50m and 100m events there will be a virtual Junior County Championship finals. The times of the swimmers in the 10-11 years, 12 years, 13 years and 14 years finals will be taken into a virtual final and the Junior County Championship Trophy and a County Championship Gold Medal will be awarded to the swimmer with the fastest time. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.

Team event awards

43. The winners of all team events will be determined on a heat declared winner basis. The team winning the Open event will be awarded The Senior County Championship Trophy and each swimmer will receive a County Championship Gold Medal. The team winning the 12-13 event will be awarded The Junior Championship Trophy and each swimmer will receive a County Championship Gold Medal. In both cases, the teams placed second and third will also each receive a County Championship Medal.
44. For the 16 yrs & under and the 10-11 yrs team events, Age Group Medals will be awarded to each swimmer in the team placed first. In both events, the teams placed second and third will also each receive an Age Group Medal. Medallists in the 16 yrs & under and the 10-11 yrs team events will be presented with their medals during the presentations ceremony.

Aggregate awards

45. The male and female club aggregate awards trophies will be awarded to the club with the highest points score. Points will be awarded to the first eight competitors in each age group of each event, including the team events, in the following manner: Winner 15 points; Second 10 points; Third 7 points; Fourth 5 points; Fifth 4 points; Sixth 3 points; Seventh 2 points; Eighth 1 point. Where there is a dead heat, the points are shared. For the avoidance of doubt, for events with finals, points will only be awarded for the place achieved in the final. Points will be awarded to the club that the swimmers is representing (as determined in accordance with para 6). No two clubs can make use of the same competitor for the purpose of counting points in these competitions in any one year. For events with finals, points will be awarded based on the placing in the final. No points are awarded for placings in the Senior and Junior County Championships.
46. The total number of points obtained by the Club shall be added together on completion of the Championships and the Club obtaining the highest aggregate shall be declared the winner. In the event of a dead heat on aggregate points, the club with the greatest number of first places shall be declared the winner, and if this also produces a dead heat, the Clubs concerned shall be declared joint winners.
47. The Parker Silver Cup and the Lambert Shield will be awarded to the female and male swimmer (respectively) who achieve the highest points score. Points will be awarded according to the place achieved in the relevant age group for all events, as follows:

Winner 15 points; Second 10 points; Third 7 points; Fourth 5 points; Fifth 4 points; Sixth 3 points; Seventh 2 points; Eighth 1 point. Where there is a dead heat, the points are shared.

In the event of a dead heat on aggregate points, the swimmer with the greatest number of first places shall be declared the winner, and if this also produces a dead heat, the swimmers concerned shall be declared joint winners.

For events with age group finals, points will be awarded based on the placing in the age group final. No points are awarded for placings in the Senior and Junior County Championships.

ASA License numbers

48. The meets is licensed by Swim England and the license numbers are

11/12 January 2020
25/26 January 2020

1SE200053
1SE200054

Trophies

49. Trophies awarded annually may be kept by the winners until the following year's championships, subject to completing the necessary documentation as regards its safekeeping and return. Any holder of a trophy who fails to return that trophy by the specified date shall not be allowed to take custody of any trophies which he or she might be awarded during the County Championships in that calendar year.

Pool side accreditation

50. Only accredited coaches and team managers wearing the appropriate accreditation documentation will be allowed on pool side or in the stewarding area. Clubs must apply for accreditation via the on-line entry system, and each club must apply for at least one accreditation. The nominated representative of each club will be provided with a link to apply for accreditation. Following the introduction of stricter controls on pool side access, the application will need to include the names of the people seeking pool side accreditation, together with their Swim England or IOS Registration Number, DBS certificate number, and the date they attended a Safeguarding and Protecting Children Course. The accreditation will be issued in the name of the person concerned and may not be used by anyone else. The cost of pool side accreditation is £20 per person and this covers all 12 sessions. A charge of £10 will be made for issuing replacement accreditation where the original is lost or left at home. Please note that we are unable to provide catering for coaches or team managers. We reserve the right to restrict the number of pool side accreditations issued and the number of people on pool side where the safety and the smooth running of the meet would otherwise be compromised. Officials and volunteers will also need pool side accreditation and this will be issued to them (free of charge) on the day.

Still and video photography

51. Use of Video and still cameras - In line with Swim England guidance on the taking of photos, spectators may take photos and videos where their swimmer is the main subject of the photo. Any such photos and videos may only be for their own personal use and may not be broadcast (including web-streaming) or published without the prior written consent of the Promoter. The Berkshire and South Buckinghamshire ASA will also have an official photographer to record the competition and images and video may be used for County publications and the County website (within the relevant Swim England guidance). By entering, swimmers accept that their image may be captured and used as described above, Swimmers and parents who do not wish their images to be used should contact the promoter in advance of the event and prior to entry.

Other matters

52. It is a requirement of entry that all swimmers abide by FINA rules GR 5.1 and 5.2 (relating to the good moral taste of swimwear) at all times during the competition, including the warm up. Swimmers who do not comply will be asked to leave the pool area for the remainder of that session.
53. Any matter not covered by the above conditions shall be determined by the BSBASA Performance Swimming Events Committee, and in the case of matters requiring a decision during the meet by the chairman of that committee and as many of its members who are available.

Notes

All times are short course.

These are consideration times and we may need to reject swimmers who meet the consideration times to keep the length of the sessions within our pool bookings, our license conditions and what is reasonable for high quality competition.

Consideration times are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.

Ages are at 31 December 2020. Swimmers must have achieved the consideration time during the period 1 January 2019 – 15 December 2019.
