A message from the Promoter

On behalf of the Berkshire and South Buckinghamshire Amateur Swimming Association (BSBASA), I would like to welcome you to the combined Performance Swimming Age Group and Para Swimming County Championships 2022, or “Counties” for short.

It is a shame we are unable welcome families and friends to watch from the gallery as usual this year, but I hope the video streaming service offers a good alternative. Despite the restrictions still in place, we are looking forward to an exciting Championships, and setting our clubs and swimmers up for a successful year in the pool.

It is a pleasure to be able to run the Championships at Wycombe Leisure Centre again. The County Championships have evolved over the years, from when a variety of pools, short and long course formats were used. Since 2018, the Championships have been run long course here at Wycombe as we are today.

This is an excellent facility offering the resources and space we need to run the event, space being particularly important this year. I would like to express my gratitude to the leisure centre staff for their assistance in helping us to prepare for this weekend’s racing. Thank you also to Wycombe District SC who have provided feedback from their own meets during 2021 to develop safe ways to operate in the current circumstances. As a result of this, we are confident we can provide a full programme of events, including finals and relays for a similar number of swimmers as the last County Champs back in 2020.

Despite its challenges, 2021 was a great year for British swimming with the outstanding performance of Team GB in the pool at the Olympics, including Maidenhead’s Tom Dean MBE, attracting the attention of the whole county and not just those of us in the swimming community. This year should be another great year with British Swimming and Swim England preparing a full fixture list of championships and a packed summer schedule featuring the Commonwealth games being held in Birmingham.

British Para-swimming Champs	17-20 Feb
British Swimming Champs	5-8 April
South-East Regional Champs (14/under)	23-24 Apr & 7-8 May
South-East Regional Champs (15/over)	30 Apr, 1-2 May
British Summer Champs	23-28 July
Commonwealth Games	29 July - 3 Aug
English Summer Champs	5-9 Aug

In line with the Swim England National Competition programme, County Championships are held across the country in January and February. Perhaps slightly earlier than some would like, coming so soon after the Christmas break, but this avoids conflicts with other competitions, and we hope this also gives consistency to the calendar by running the BSBASA County Championships on the middle and last weekend of January each year.

“Counties” are part of the National pathway, leading to the Regional Championships after Easter and onto the National Summer Championships at the end of the season. This is why we are licenced as a Level 1 meet, the highest level of meet.

It is important to know that “Counties”, just like all the open meets across the country, is only possible due to the excellent work by volunteers. The County as well as our clubs have all struggled over the past year due to COVID-19. I really hope that 2022 is the year we start to rebuild, reskill the workforce, and let our swimmers train to a full timetable, see a full fixture list of open meets back in place.

Of course, all this will only be possible if the parents and club members come forward and offer their help. Without volunteers, none of this can

happen. It takes time to train officials and Team Managers. Other roles may not require formal training, but if the club management and committee roles are not filled, clubs are unable to offer a full programme of events and the swimmers miss out on opportunities. **So please, please, please, speak to your coaches or anyone on your club committee and ask what you can do to help.** I promise you that volunteering is very rewarding experience, however large of small the role.

Good luck to all the swimmers here this weekend, I hope you achieve your personal goals, whether it is your first Counties, your first long course meet, or perhaps you are building towards regional and nationals later in the year. Congratulations to those that win a medal or a trophy. For most swimmers Counties is an opportunity to improve yourself, setting a new PB, reaping the rewards of all those hours training and building for the future. I know how much effort and dedication this takes, so well done to you all and please thank your coaches for their help and support along the way.

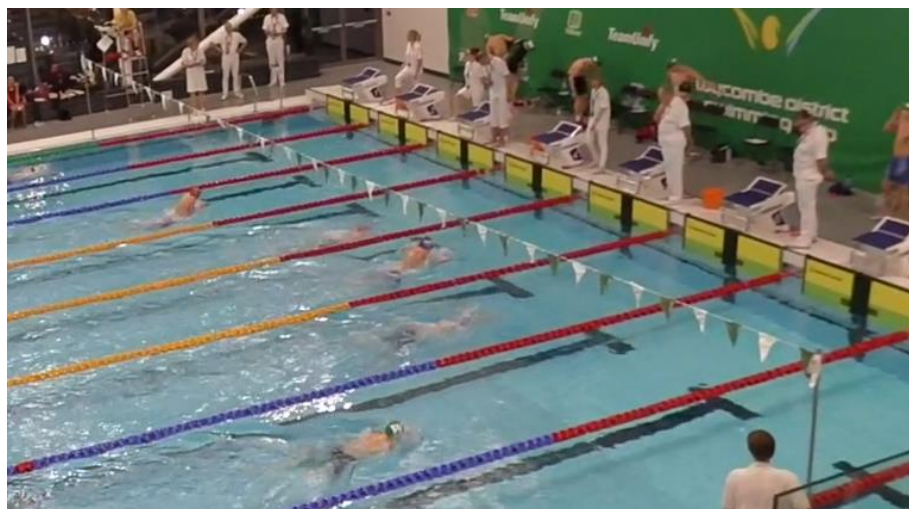

Thank you to my colleagues on the County's Performance Swimming Events Committee, for without their support and hard work to plan and prepare for these Championships. My final thanks go to the officials and volunteers, all of whom have given up their time to make this event possible.

Please use the links below to follow the meet online. The full results will be posted as soon as possible next week on our website at <https://www.bsbasa.org/> and will hopefully appear on Swim England Rankings on Tuesday morning at <https://www.swimmingresults.org/>.

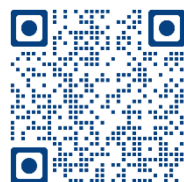

Good luck and Swim Fast!

James Glazebrook

How the Championships are Run

General

1. The County Championships, the County Age Group Championships and the County Para-swimming championships are run as an integrated meet and are governed by the County Championships Conditions and County Age Group Championships Conditions. The key elements are included below.
2. This competition will be swum under Swim England Laws and Technical Rules.
3. The meet has been licensed by Swim England. 15/16 Jan - 1SE220084, 29/30 Jan 1SE220085. Times recorded at the meet will be accepted for entry into National and Regional Competitions and Championships and will be sent to the Swim England for inclusion in the National Rankings.
4. The age groups are 10/11yrs, 12yrs, 13yrs, 14yrs, 15yrs, 16yrs & 17+. Ages are determined by the swimmer's age on 31st December 2022.
5. The pool is 50 metres long and anti-turbulence lane ropes will be used together with automatic electronic judging and timing equipment. Backstroke ledges are also available.

COVID-19 Control Measures

6. In light of the current pandemic and based on the latest guidance from Swim England and the leisure centre, we have made some significant changes to the way the meet is run this year in order to minimise the risks from COVID-19.
7. Only those involved in the competition (swimmers, coaches, team managers, officials and volunteers) are permitted to access the pool, spectators' gallery, changing rooms and sports hall. Parents of swimmers who are not volunteering can only access the foyer area of the leisure centre and should not pass beyond the turnstiles.
8. If attending the meet you should take a lateral flow test within 24hrs before attending the meet. If you test positive or have any COVID-19 like symptoms, you will not attend the meet.
9. Attending the meet is not without risk, you acknowledge that you are aware of the risks and are still happy to attend.
10. Masks are recommended to be worn inside the building except when exercising (such as when swimmers are poolside or performing a land warm up).
11. Please avoid crowding as far as possible. Each club will be allocated a dedicated area in the sports hall or in the spectators' gallery where swimmers should remain until called to the marshalling area for their warm-up, heat or final.
12. You understand that due to the evolving situation restrictions may be subject to change on the day

Heats and Finals

13. Team managers must withdraw swimmers not intending to swim an event before the start of the warm up of the relevant session.
14. For the relays, Team Declaration Forms must be posted by the time stated on the form.
15. The warm up will end 5 minutes before the start of the each session.
16. Start lists can be accessed before the start of each session at <https://bsbasa.org/startlist>.
17. Competitors in the first event of each session must report to the stewards in the marshalling area of the sports hall 10 minutes before the scheduled start time. Competitors in other events must report to the stewards during the preceding event to that in which they are swimming, or when called by the announcer.
18. Heats for individual events will be seeded using the entry times with the slowest swimmers first. For events with finals (50m & 100m events), the fastest 3 heats will be cyclically seeded and the other heats spearhead seeded. For events without finals, all heats will be spearhead seeded.
19. The fastest eight swimmers in the heats in each age group will qualify for the event age group final. Two reserves will also be allocated for each final.
20. The names of finalists will be announced as soon as possible after the heats. All swimmers qualifying for finals are expected to swim in those finals. Withdrawals should only be made in exceptional circumstances and should be notified to the organisers by the stated time.

21. There will be no swim offs for equal placed swimmers and in such cases the number of swimmers in the final shall be reduced as necessary

Results & Placings

22. Times shown on the scoreboard are provisional and subject to ratification by the referee.
23. BSBASA have developed an application that allows you to see results of each event on your smartphone as soon as they have been finalised.
24. The results system can be accessed using the following link: <https://bsbasa.org/results>.
25. Placings for the individual age group awards for events of 200m and longer will be determined based on heat times.
26. Placings for the 50m and 100m events will be determined by finals.
27. The Senior County Championship is for swimmers aged 15 years & over, and the Junior County Championship is for swimmers aged 14 years & under.
28. Senior County Championship and Junior Championship placings for all individual events of 200m and over, and all County Championship team events, will be determined based on heat times and there will be no finals.
29. Senior and Junior County Championship placings for all 50m and 100m individual events will be determined by a "virtual final". The times of the swimmers in the 15 years, 16 years, and 17 years & over finals will be taken into a virtual final and the Senior County Championship Trophy will be awarded based on times in that virtual final. Similarly, the times of the swimmers in the 10/11 years, 12 years, 13 years, and 14 years finals will be taken into a virtual final and the Junior County Championship Trophy will be awarded based on times in that virtual final.
30. The placings for all the team events will be determined based on heat times.

Awards

31. The Junior Championship Trophy and a County Championship gold medal will be awarded to first placed 14yrs & under swimmer. Silver and Bronze medals will be awarded to swimmers placed 2nd and 3rd.
32. The Senior County Championship Trophy and a County Championship gold medal will be awarded to the first placed 15yrs & over swimmer. Silver and Bronze medals will be awarded to swimmers placed 2nd and 3rd.
33. Championship trophies may be kept by the winners for a period of one year subject to completing the necessary documentation as regards its safekeeping and return.
34. The Championships include para-swimming multi-classification awards in the 50m and 100m events. Classified para-swimmers will, in addition to their age group placing, be placed in a multi-classification award category. Placing will be done based on British para-swimming points. The winner will be awarded an Age Group gold medal. Silver and bronze medals will be awarded for 2nd and 3rd place.
35. Age group and para-swimming medals can be collected from the team managers. Age group medals will be ready for collection from day 2 onwards.
36. Championship medals and trophies and all medals for the team events will be presented either during or at the end of the relevant session. Winners should listen to announcements to confirm the timing of presentations.
37. **Ladies Club Aggregate for The Dockery Trophy & Mens Club Aggregate for The Ellen Trophy**
These are awarded to the club with the highest points score. Points will be awarded to the first eight competitors in each age group of each event, including the team events, in the following manner: Winner 15 points; Second 10 points; Third 7 points; Fourth 5 points; Fifth 4 points; Sixth 3 points; Seventh 2 points; Eighth 1 point. No points are awarded for County Championship placings. In the event of a dead heat, the club with the greatest number of first places shall be declared the winner.
38. **Girls Aggregate for The Parker Silver Cup & Boys Aggregate for The Lambert Shield:**
These trophies are awarded to the swimmer with the highest number of points from the age group competition. Points are awarded as

per the club aggregate trophies (see above). No points are awarded for County Championship placings.

Filming and Photography

39. The championships will be filmed and live streamed via YouTube so that families and friends of swimmers can enjoy the championships. Please use the following link to access the official YouTube channel for the Championships:

 <https://www.youtube.com/playlist?list=PL28Dz-EitUJePsKKnG0u25HgG6CsJRsx6>

40. The use of personal video and still cameras is permitted at the event, in line with Swim England guidance. Any photos and videos taken may only be for personal use and may not be broadcast (including web-streaming) or published without the prior written consent of the Promoter, this includes posting to social media.

41. By entering these championships, swimmers accept that their image may be captured and used as described above.

BSBASA Swimming Records

The county records and meet best times are included at the back of this programme for your reference. The following provides a short explanation of how the records are compiled.

BSBASA County Records

The conditions for establishing County records are as follows:

1. An application for a County Record will only be accepted in respect of a swimmer who, at the time of setting the record, has been in continuous membership of a Club assigned to the County Association for a period of at least three calendar months.
2. Records established in County Championships and other events officially promoted by the Association will automatically be credited to the winner concerned. All other records can only be set at Level 1 or Level 2 Swim England licensed meets, or meets at which an English record can be set, and must be claimed in writing by the swimmer, or person acting on their behalf, to reach the County Performance Swimming Events Manager within two months of the event, enclosing the timecard, or official results' sheet.
3. All records must be made in still water. Any movement of water due to the normal

operation of the filtration system may be disregarded.

4. Long course records shall be made only in pools of 50 metres (or 55 yards length). Short course records shall be made in pools of less than 50 metres and not less than 25 metres length. (N.B. Only long course records are presented in this programme)
5. A Junior record will be recognised only if it is made by a swimmer who is under seventeen years of age on 31 December in the year of competition. The Performance Swimming Events Committee did consider aligning the ages for Junior records with that for the Junior County Championship, however the County Management Board decided to maintain the current age criterion and the Junior records history.

Meet Best Times

Meet best times are the best times recorded in the relevant event at the County Championships meet and are shown under each event.

There are separate meet best times for short course and long course events. Meet best times do not need to be claimed and are compiled by the Performance Swimming Events Manager.

2018 was the first year that the championships for most events were held in a long course pool. The exceptions are the 800/1500m free which have been held in a long course pool since 2009, although the meet best times only date from 2016 when the age update moved to 31st December.

And a bit about the BSBASA

The Berkshire and South Buckinghamshire Amateur Swimming Association is an organisation that represents clubs for all the aquatic sport disciplines across the county. As well as performance swimming, this includes diving, artistic swimming, masters swimming and water polo.

For more information about the BSBASA and its activities, please check out our website, or take a look at the latest [Annual Report from 2020-2021](#).
