Notes

The consideration times have been increased this year to take into account of the reduced training and competition time swimmers have had in the pool this past year.

All times are short course. We may need to reject swimmers who meet the consideration times to keep the length of the sessions within our pool bookings, our license conditions and what is reasonable for high quality competition.

Consideration times are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.

Ages are at 31st December 2022. Swimmers must have achieved the consideration time during the period 20th December 2020 – 19th December 2021 and recorded in the Swim England rankings database.
