County and Age Group Championships 2023

(Under Swim England Laws and Technical Rules)

Meet Conditions and Entry Procedure

Introduction

1. The County Championships, the County Age Group Championships and the County Para-swimming Championships are run as an integrated meet. They are governed by the County Championships Conditions approved by the County Management Board and which can be found on the BSBASA website (bsbasa.org). The key requirements of the County Championship Conditions are summarised in this entry procedure document.
2. The Championships will be held at Wycombe Leisure Centre. The pool has 8 lanes and features anti-turbulence lane ropes, electronic timing (AOE) and backstroke ledges. All events will be swum long-course (50m). The adjacent 20m community pool will be available to swimmers for warm up during racing and for swim down (access restrictions may be imposed during warm up).
3. The facilities at Wycombe feature a mixed gender wet side changing village. Only swimmers and authorized personnel may access the changing areas during the meet.
4. Spectators are only permitted access to the public areas of the leisure centre and the spectators gallery. Access poolside, to the sports hall and marshalling areas will be restricted to swimmers, coaches and team managers (or official chaperones) with poolside passes.
5. The meet will be run under the Swim England Laws, Regulations and Technical Rules, the relevant World Para Swimming Rules and these Promoter's Conditions.
6. The meet is licensed by Swim England and has been allocated the following licence numbers:

14/15 January 2023	1SE230049
28/29 January 2023	1SE230050

Eligibility

7. Only swimmers who are registered with Swim England as members of clubs affiliated to the County Association on the closing date for entries and have Swim England Club Compete membership (formerly "Category 2" membership) may enter events.
8. A competitor may only represent one club in the Championships. Furthermore, a competitor who has entered BSBASA Championships in any other discipline held in the same calendar year can only swim in the name of the same club represented in that other Championship. Furthermore, a competitor who has swum in the Championship or Age Group Competitions of another county held in the same calendar year may not enter or swim in these Championships.
9. A swimmer must also be registered with Swim England as a member of a club affiliated to the Association and have Swim England "Club Compete" membership during the period of competition. Where this is a different club than the entry club (i.e. where a swimmer has changed their registered club after entering), the swimmer will represent their new club, except if they have already swum in the name of their old club at these Championships or the BSBASA Championships in any other discipline in the same calendar year. In such cases, the swimmer will be allowed to swim but will not represent any club from the point of re-registration.
10. All clubs affiliated to the County Association may enter team events. Individual competitors selected to represent clubs must be eligible to enter individual events in the name of that club, and

swimmers can only swim in the teams of one club in these Championships. A swimmer may not compete in more than one team in the same event.

Para Swimmers

11. Classified Para Swimmers may enter any event provided they meet the eligibility requirements above. The normal consideration times can also be extended to take into consideration the swimmer's classification category and the equivalent national para-swimming qualification times. Extensions will be subject to the promoter's discretion.
12. Clubs with para swimmers wishing to take advantage of extended consideration times should contact the entries secretary (championships@bsbasa.org) before submitting their entries. The entries secretary will be responsible for assessing the application and the decision of the entries secretary will be final.
13. A secondary strobe light for S15 swimmers is available. Clubs with swimmers wishing to use the secondary strobe light should request this from the organisers when submitting their entries.
14. All Para-Swimmers must have an authorised IPC Swimming, British Swimming, INAS-FID or British Blind Sport classification, which is held on the British Swimming or IPC Swimming classification database at the time of entry. S15 swimmers must be registered as a member of GB Deaf Swimming.
15. The Para-Swimming multi-classification competition awards are described later in this document.

Individual Events

16. The following individual events are included in the Championships

Freestyle	50m, 100m, 200m, 400m, 800m, 1500m
Backstroke	50m, 100m, 200m
Butterfly	50m, 100m, 200m
Breaststroke	50m, 100m, 200m
Individual Medley	200m, 400m

10 and 11 year olds may not enter the 800 or 1500m Freestyle, nor the 400m IM.

17. There are separate events for male and female competitors.
18. Ages are determined by the swimmer's age on 31st December 2023. Swimmers not yet 10 years old on 31st December 2023 may not enter the Championships.

Team Events

19. The following team events are included:

Male

Open 4 x 100m Freestyle Team
16 yrs & under 4 x 100m Freestyle Team
12-13 yrs 4 x 100m Freestyle Team
10-11 yrs 4 x 50m Freestyle Team

Open 4 x 100m Medley Team
16 yrs & under 4 x 100m Medley Team
12-13 yrs 4 x 100m Medley Team
10-11 yrs 4 x 50m Medley Team

Female

Open 4 x 100m Freestyle Team
16 yrs & under 4 x 100m Freestyle Team
12-13 yrs 4 x 100m Freestyle Team
10-11 yrs 4 x 50m Freestyle Team

Open 4 x 100m Medley Team
16 yrs & under 4 x 100m Medley Team
12-13 yrs 4 x 100m Medley Team
10-11 yrs 4 x 50m Medley Team

20. There are no minimum consideration times for team events, and it is intended that the County team events should be a good opportunity for swimmers to gain experience of relay team racing. It is therefore expected that there will be a wide range of entry times in each event. Clubs and coaches should ensure that the entry times are appropriate for the team that is expected to swim on the day and think twice about entering teams that are likely to be way below the standard of any of the other competing clubs.
21. It may be necessary to restrict the number of relay teams, in which case 2nd and subsequent teams from a club will be selected by lottery to fill the available spaces.

Entry Procedure - General

22. All entries must be made via your swimming club, clubs will set out their own entry procedures. Each club must nominate the person responsible for submitting their entry by the 30th October 2022. Club entries must be made in electronic format using the *SportsSystems Entry Manger* software. The entry file will be issued to the nominated club representative by email together with additional information on the entry process and payment instructions. Nominations and entry files should be submitted by email to championships@bsbasa.org
23. **The closing date for submitting and paying for entries is 23:59 on Wednesday 21st December 2022.** No entries will be accepted after that time. Once an entry has been made, entry times cannot be changed.
24. Entry fees for individual events are £8.50 per event of 200m or less, £10.50 per event for the 400m events, £13.50 for the 800m Freestyle and £16.50 for the 1500m Freestyle. Entry fees for the team events are £15 per event.
25. Poolside passes cost £20 each. This covers all 4 days of the championships (please note that food is not provided). Passes are required for each coach and team manager. Where different club members are attending different sessions, passes may be transferred to other users, however all users must be nominated by their club and be confirmed as having a valid Disclosure and Barring Service (DBS) check with their club. (Additional poolside passes may be purchased after the club entry if necessary)
26. No entries will be accepted without payment of the appropriate entry fee. Except where it is not possible to accept entries (see below) entry fees are not refundable whatever the circumstances. Entry fees in respect of an incorrect entry will be forfeit.

Entry Procedure - Individual events

27. Swimmers must have achieved the consideration time during the period 20th December 2021 – 18th December 2022. These times must have been achieved at Swim England licensed meets (Level 1 – 4) and be included in the [Swim England Rankings Database](#) or be included in the [Swim England Masters Rankings Database](#) at the date of entering.
28. Valid times must be short course (from a 25m pool) or converted long course times (from a 50m pool). Only times set in 25m or 50m pools are eligible. Conversion of 50m times will be done using the Swim England official algorithm within the entry manager software.
29. Your Swim England registration number will be used for compiling your entry. Swimmer's names, date of birth and any para swimming categories will then be extracted from the Swim England membership database. This is to ensure the results are then correctly allocated when submitted to Rankings. Please check your membership information in the Swim England database is correct before entering and update in advance as necessary (<https://www.swimmingresults.org/membershipcheck>).

30. Split times from longer events will not be accepted for entry. Relay lead off times will only be accepted where these are attributed to the relevant swimmer for the individual stroke/distance in the Swim England Rankings Database.
31. The promoter will be carrying out random checks that the times entered match those on Rankings. Swimmers entering incorrect times may have their entire entry cancelled. In such circumstances, the promoter reserves the right not to refund entry fees.
32. Please note that meeting the consideration time does not guarantee entry. Depending on the volume of entries it may not be possible to accept all entries from swimmers who have achieved the consideration time. Where it is not possible to accept all entries, swimmers with the fastest times will be accepted taking into account the need to be fair between age groups. In order to keep within the allowed session times, the long-distance events (400m, 800m & 1500m) are the most likely to be restricted.
33. Where possible, swimmers who are not accepted may be nominated as reserves, and may be able to swim in the event of withdrawals, although this remains at the sole discretion of the promoter.
34. The consideration times included in this document are short-course times, converted long-course times may be used. The consideration times are stated to tenths of a second. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, whereas 1:37.01 does not.

Entry Procedure - Team events

35. It is not necessary to name the swimmers from whom each team will be selected on the entry form, however the names, dates of birth, Swim England registration numbers, and swim order of the selected swimmers must be declared on the team declaration form which must be posted before the time indicated on the form.

Notification of Accepted Swims

36. Accepted swims will be posted at bsbasa.org as soon as possible after the closing date. It is the responsibility of swimmers and clubs to check entry details carefully before the meet starts. Processing errors notified before the start of the meet will be corrected. It is most unlikely that errors can be corrected once the meet has started.

Use of data

37. You can see how entry data collected will be used at <https://bsbasa.org/WebEntry/dataPolicy.html>. The data collected will be held on computers in the BSBASA meet management. This information (together with the meet results) may be used
 - to contact clubs regarding entries and the running of the championships
 - to publish entry information on the BSBASA website once entries have closed
 - to publish results at the championships venue and on the BSBASA website
 - to publish results on a mobile application
 - to compile the County Records and Meet Best Times
 - within the BSBASA handbook
 - for submitting the results to Swim England Rankings
 - to send results to competing clubs (for their swimmers only)
38. By entering the championships, entrants are consenting for their data (and that of the swimmers) to be used as above, and are accepting and agreeing to abide by these conditions.

Meet details

39. The order of events is provided on pages 10 and 11, and has been significantly modified from last year. Please note that the session times are provisional and will be confirmed once entries have been processed. Swimmers should consider carefully which events they enter, and in particular the possibility that if they qualify for finals they may need to swim a number of races over a very short period of time. It will not be possible to have a break in the programme to accommodate multiple swims. Swimmers who qualify for finals are expected to swim in those finals, and withdrawals from finals should only occur in exceptional circumstances.
40. Swimmers whose entries have been accepted, but who do not intend to swim must withdraw. Withdrawals must be notified to each club's designated team manager, who will in turn notify the meet organisers (before the start of the warm-up for each session). Clubs with an unacceptable level of unreported withdrawals (particularly in finals) will be reported to the Performance Swimming Events Committee who may impose a penalty, including a fine.
41. Swimmers whose entries have been accepted from the long distance events (400m or greater) but who do not intend to swim are requested to notify their withdrawal to the organisers as soon as possible before the race day so that reserve swimmers can take their place. **If you are definitely going to withdraw from these events, do not leave it until the day of the competition. Withdrawals can be made at any time by email to championships@bsbasa.org.**
42. The list of finalists for events with finals will be published as soon as possible after the heats have been completed. This list of finalists will also contain a "withdraw by time". Finalists (including reserves) who wish to withdraw (which should be in exceptional circumstances only) must notify their club's designated team manager, who will in turn notify the meet organisers before the relevant "withdraw by" time. A fine of £10 may be levied on clubs in respect of each finalist (including reserves) who do not compete without having complied with the withdrawal process above. The entry process for future BSBASA performance swimming competitions will be blocked for clubs which have unpaid fines.
43. Team declaration forms for relay events will be emailed to the designated club contact before the start of the meet. These forms must be printed and completed with the details of the swimmers who will actually compete and must be posted on the day of the event prior to the time stated on the form. If forms are not posted, then swimmers and teams will not be able to swim. It is not necessary to withdraw from these events. No changes to the declared teams can be made after the declaration time shown in the form. Teams who do not swim the declared swimmers in the declared order will be disqualified.
44. All events will be seeded slow to fast. For events with finals, the fastest 3 heats will be cyclically seeded, all other heats will be spearhead seeded. For events without finals, all heats will be spearheaded.
45. During the championships swimmers will be marshalled in the sports hall. Space poolside is limited and swimmers are encouraged to use the sports hall for warming up and when waiting to swim. Coaches and TMs poolside must ensure there is adequate space around them for the officials and to provide safe access. Should the poolside area become overly congested, the promoter will require coaches and TMs to remove some of their swimmers from poolside.
46. After completing their event and swim down, swimmers should leave the poolside area via the changing rooms. Swimmers will not be permitted to return the sport hall directly from poolside.

47. The changing room and swimmer marshalling areas will be patrolled regularly to provide security for those attending the championships. Only swimmers and adults with legitimate reasons relating to the championships are allowed in these areas, all other persons present will be asked to leave.
48. Spectators are not allowed poolside or in the changing room area during the Championships.
49. There is a possibility that guidance from Swim England or the leisure centre will change at the time of the meet requiring additional restrictions to be imposed on the movement of, swimmers, coaches, team manager and spectators. In this case, any changes will be communicated by the promoter to the clubs and head coaches.

Awards

50. Age Group and Para-swimming Multi-Classification medals should be collected from the medal desk. Trophies and County Championship medals will be handed out poolside during the awards Ceremonies held at the end of each session.

Age group awards and finals

51. Age Group Medals will be awarded for first, second and third place.
52. Awards will be made to the winners in the following age groups:
10-11 years, 12 years, 13 years, 14 years, 15 years, 16 years, and 17 years & over.
53. Age group awards for events of 200m and over will be made on a heat declared winner basis.
54. Age group awards for the 50m and 100m events will be made based on the finish position in the relevant age group final. The fastest 8 swimmers from the heats in each age group will qualify for the relevant age group final. Two reserves will be also nominated, who will be promoted into the final in the event of a faster swimmer withdrawing. There will be no swim-offs for equal placed swimmers and in such cases the number of reserves and the number of swimmers in the final shall be reduced as necessary.
55. For the avoidance of doubt, swimmers must swim in the heats even if there are 8 or fewer swimmers in their age group. Furthermore, swimmers who are disqualified or do not finish in the heats will not qualify for the finals.

Para-Swimming multi-classification competition awards

56. The 50m and 100m events will include Para-Swimming multi-classification awards.
57. Classified para-swimmers (Categories 1 – 14) will, in addition to their age group placing, be placed in a multi-classification award category. Placing will be done using the British Para Swimming Points (BPSP) system based on the times achieved in the heats only.
58. Category 64 swimmers will be treated as Category 14 swimmers.
59. Category 99 swimmers (those awaiting classification) and Category 15 swimmers may benefit from consideration times extension (see paragraph 9 above), but are not eligible for the Para-Swimming multi-classification awards. This because, it is not possible to compute BPSP for Category 15 and 99 swimmers.

Senior County Championship

60. The Senior County Championship is for swimmers who are 15 years & over at 31st December 2023.
61. For events of 200m and over, the Senior County Championship will be decided based on the heat results. The Senior County Championship Trophy and a County Championship Gold Medal will be awarded to the Senior swimmer achieving the fastest time in the heats. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.
62. For the 50m and 100m events, there will be virtual Senior County Championship finals. The times of the swimmers in the 15 years, 16 years, and 17 years & over finals will be taken into a virtual final and the Senior County Championship Trophy and a County Championship Gold Medal will be awarded to the swimmer with the fastest time. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.

Junior County Championship

63. The Junior County Championship is for swimmers who are 14 years & under at 31st December 2023.
64. For events of 200m and over the Junior County Championship will be decided on heat times. The Junior County Championship Trophy and a County Championship Gold Medal will be awarded to the Junior swimmer achieving the fastest time in the heats. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.
65. For the 50m and 100m events, there will be virtual Junior County Championship finals. The times of the swimmers in the 10-11 years, 12 years, 13 years and 14 years finals will be taken into a virtual final and the Junior County Championship Trophy and a County Championship Gold Medal will be awarded to the swimmer with the fastest time. A silver medal will be awarded for second place, and a bronze medal will be awarded for third place.

Team event awards

66. The winners of all team events will be determined on a heat declared winner basis.
67. The team winning the Open event will be awarded The Senior County Championship Trophy and each swimmer will receive a County Championship Gold Medal. The teams placed second and third will also each receive a County Championship Medal.
68. The team winning the 12-13 event will be awarded The Junior Championship Trophy and each swimmer will receive a County Championship Gold Medal. The teams placed second and third will also each receive a County Championship Medal.
69. For the 16 yrs & under and the 10-11 yrs team events, Age Group Gold Medals will be awarded to each swimmer in the team placed first. The teams placed second and third will also each receive an Age Group Medal.

Aggregate awards

70. Points will be awarded to the first eight competitors in each age group of each event, including the team events, as follows:

Winner: 15 points; 2nd place: 10 points; 3rd place: 7 points; 4th place: 5 points; 5th place: 4 points; 6th place: 3 points; 7th place: 2 points; 8th place: 1 point. Where there is a dead heat, the points are shared.

71. For events with finals, points will be awarded based on the placing in the final.
72. No points are awarded for placings in the Senior and Junior County Championships.
73. The Parker Silver Cup and the Lambert Shield will be awarded to the female and male swimmer (respectively) who achieve the highest aggregate points score. In the event of a dead heat on aggregate points, the swimmer with the greatest number of first places shall be declared the winner, and if this also produces a dead heat, the swimmers concerned shall be declared joint winners.
74. Points awarded to competitors will also be accrued by the Club that the swimmer is representing. No two clubs can make use of the same competitor for the purpose of counting points in these competitions in any one year (as explained in the Eligibility section above).
75. The total number of points obtained by each Club shall be added together on completion of the Championships and the Club obtaining the highest aggregate score shall be declared the winner. In the event of a dead heat on aggregate points, the club with the greatest number of first places shall be declared the winner, and if this also produces a dead heat, the Clubs concerned shall be declared joint winners.

Trophies

76. Trophies awarded annually may be kept by the winners until the following year's championships, subject to completing the necessary documentation as regards its safekeeping and return. Any holder of a trophy who fails to return that trophy by the specified date shall not be allowed to take custody of any trophies which he or she might be awarded during the County Championships in that calendar year.

Photography and Video Recordings

77. Use of Video and still cameras is permitted at the event, in line with Swim England guidance. Any photos and videos taken may only be for personal use and may not be broadcast or published (including web-streaming) without the prior written consent of the Promoter.
78. By entering these championships, swimmers accept that their image may be captured and used as described above, Swimmers and parents who do not wish their images to be used should contact the promoter in advance of the event and prior to entry.

Other matters

79. It is a requirement of entry that all swimmers abide by FINA rules GR 5.1 and 5.2 (relating to the good moral taste of swimwear) at all times during the competition, including the warm up. Swimmers who do not comply will be asked to leave the pool area for the remainder of that session.
80. Any matter not covered by the above conditions shall be determined by the BSBASA Performance Swimming Events Committee, and in the case of matters requiring a decision during the meet by the chairman of that committee and as many of its members who are available.

Notes

All times are short course. Ages as at 31st December 2023

Consideration times must have been achieved during the period 20th December 2021 – 18th December 2022 and be recorded in the Swim England rankings database.

These are consideration times only. It may be necessary to reject swimmers who meet the consideration times to keep the length of the sessions within the pool booking time limits, license conditions and what is reasonable for high quality competition.

Consideration times are stated to tenths. For the avoidance of doubt, where the consideration time is stated as (say) 1:37.0, a time of 1:37.00 meets the entry criterion, but 1:37.01 does not.
