A message from the Promoter

On behalf of the Berkshire and South Buckinghamshire Amateur Swimming Association (BSBASA), I would like to welcome you to the combined "Performance Swimming Age Group and Para Swimming County Championships 2025", aka "Counties".

Congratulations to all the swimmers qualifying for the meet. We are looking forward to an exciting weekend of speed swimming, as well as a chance to catch up with friends from clubs around the county, a great way to start the year and the long course season.

The format of the County Championships is slightly different from many Open Meets. We hold 3 sessions of swimming each day. At the end of each session an awards ceremony takes place to present the Junior and Senior County trophies and medals. The final session of the day is reserved for the 50m & 100m finals and relay events. A full events listing is available on the next page.

Enjoy the racing, we welcome loud support for the swimmers from the gallery and poolside and cheer them on. But please be quiet during the starts when the referee blows a series of short whistles. We want the swimmers to be able to focus and clearly hear the start signal.

This year we are repeating the "87-year 300m Tandem Relay". This will take place on Sunday evening before the final awards presentation. This is a 6x50m Freestyle relay with a difference. All 6 swimmers in the team start in the water at the same time. At the end of each length the lead swimmer drops out until there is only one swimmer left for the 6th and final leg. This means that the swimmers will need to work together to co-ordinate their swimming, plan who will take the lead for each length, build up the speed and stay close together to maximise the use of draughting off each other (overtaking each other is not allowed). And why the "87 year rule"? this is

the maximum total combined age of the team (e.g. 11, 13, 14, 15, 16, 18 years).

I'd like to thank the leisure centre staff for their assistance with preparing the venue and helping us put on this weekend's competition. A huge thank you to the County Performance Swimming Events Committee for their continuous support, the Championships are only possible thanks for the work you put in throughout the year.

My final thanks go to the officials and volunteers for helping to make this such a fun event to run making things go so smoothly.

Good luck to all our swimmers here this weekend, I hope you achieve your personal goals, whether it is your first time at Counties, or you are an experienced swimmer and aiming for regional and national qualification times later in the year.

For those targeting [South East Regional Long Course Championships](#) in April/May this year, a copy of the qualification times are included, at the back page of the programme.

Early next week all the results from the weekend will be posted on our website at <https://www.bsbasa.org> and should also be available on the Swim England Rankings website on Tuesday at <https://www.swimmingresults.org>.

Good luck and Swim Fast!

Swim England National County Team Championships 2024

On Saturday 5th October 2024, the Berkshire and South Buckinghamshire County Team travelled to Sheffield to take part in the National County Team Championships 2024. The team was led by coaches Joe Evans of Wycombe District and Fabian Whitbread of Maidenhead Marlins, both of whom are on the Swim England National Development Programme.

The team was made up of swimmers from across our county, coming from Tilehurst, Chalfont, Reading, Windsor, Bracknell, Wycombe, Amersham and Maidenhead.

We started our weekend arriving at Ponds Forge on Saturday afternoon. Here we were able to prepare for the competition a day early. During that time, the team began to bond during training, team meals at our hotel and fun activities provided by the coaching staff. During the evening, the coaches spoke about the importance of representing your county and what it means to be a part of the team. Our message was clear, we wanted to be back in Division one, every point counts. By the morning of the competition, Berks and South Bucks were ready to go.

As we made our way down to the pool covered in green and yellow, you could already hear the noise of all the other counties preparing themselves for an exciting day of racing. With 40 counties and nearly 900 swimmers taking part, representing their teams. By the time the opening ceremony took place, where swimmers Richard Alija and Katherine Williams lead the team out with the famous Berks and South Bucks head and holding the team flags high, the team was ready.

We had some brilliant individual and relay team performances throughout the day. Here are just to name a few:

Annabell Compton	16/17	100 BK	2 nd
	16/17	100 FL	3 rd
Isabella Sherman	12/13	100 BR	3 rd
Zach Callinan	12/13	100 FS	1 st
	12/13	100 FL	2 nd
Ethan Richards-Knight	16/17	100 FL	2 nd
Noah Wheeler	16/17	100 BR	1 st
Charlotte Heyden	14/15	100 BK	1 st
Johnathan Ireland	16/17	200 IM	1 st
Noah Wheeler		Relay	
Ethan Richards-Knight			
Alex Moore			
Annabelle Compton	16/17	200 IM	2 nd
Saba Williams		Relay	
Eve Whitney			
Maisie Dickinson			
Max Richard	12/13	200 IM	4 th
Daniel Chen		Relay	
Zach Callinan			
Richard Alija			
Charlotte Heyden	14/15	200 IM	1 st
Charlotte Burfitt		Relay	
Ava Truswell			
Katherine Williams			

Towards the end of the day, the competition between Berks and South Bucks and Middlesex was nail biting and getting too close to call. After the last race, where our Squadron Relay of Alex Moore, Maisie Dickinson, Ben MacDougall, Katherine Williams, Darcey Perez and Max Richard finished in 11th place, it was Berks and South Bucks that were confirmed and walked away with the National County Team Championships Division 2 title.

(continued from previous page)

A great weekend filled with brilliant team performances, fast swimming and incredible team support. Thank you to the Team Managers Liz Lofts and Louise Vincent; the Coaches Joe Evans and Fabian Whitbread; the County and all those involved for the organisation and support to making this weekend such a success.

We said last year we wanted to bounce right back to Division 1, and so we have, by winning the Division 2 title.

Written by Fabian Whitbread, Maidenhead Marlins County Team Coach

BSBASA Swimming Records

The “County Records” and “Meet Best Times” are included at the back of the programme for your reference. The following provides a short explanation of how the records are compiled.

County Records

The conditions for establishing County records are as follows:

1. An application for a County Record will only be accepted in respect of a swimmer who, at the time of setting the record, has been in continuous membership of a Club assigned to the County Association for a period of at least three calendar months.
2. Records established in County Championships and other events officially promoted by the Association will automatically be credited to the winner concerned. All other records can only be set at Level 1 or Level 2 Swim England licensed meets, or meets at which an English record can be set, and must be **claimed in writing by the swimmer, or person acting on their behalf, to reach the County Performance Swimming Events Manager within two months of the event**, enclosing the timecard, or official results’ sheet.
3. All records must be made in still water. Any movement of water due to the normal operation of the filtration system may be disregarded.

4. Long course records shall be made only in pools of 50 metres (or 55 yards length). Short course records shall be made in pools of less than 50 metres and not less than 25 metres length. (N.B. Only long course records are presented in this programme)
5. A Junior record will be recognised only if it is made by a swimmer who is under seventeen years of age on 31 December in the year of competition. The Performance Swimming Events Committee did consider aligning the ages for Junior records with that for the Junior County Championship, however the County Management Board decided to maintain the current age criterion and the Junior records history.

Meet Best Times

Meet best times are the best times recorded in each event and age-group at the County Championships meet.

Meet best times do not need to be claimed and are compiled by the Performance Swimming Events Manager.

2018 was the first year that the championships for most events were held in a long course pool. The exceptions are the 800/1500m Freestyle which have been held in a long course pool since 2009, although the meet best times only date from 2016 when the age update moved to 31st December.

REMEMBER: If you think you have swum a new record time, please contact the records secretary at records@bsbasa.org so the record can be verified and added to the database. Unless your record is swum at the County Championships, we are not able to include it unless you make an application.

How the Championships are Run

General

1. The County Championships, the County Age Group Championships and the County Para-swimming championships are run as an integrated meet and are governed by the County Championships Conditions and County Age Group Championships Conditions. The key elements are included below.
2. This competition will be swum under Swim England Laws and Technical Rules.
3. The meet has been licensed by Swim England. 11th/12th January - 1SE250018, 25th/26th January 1SE250019. Times recorded at the meet will be accepted for entry into Regional and National Competitions and Championships and will be sent to the Swim England for inclusion in the National Rankings.
4. The age groups are 10/11yrs, 12yrs, 13yrs, 14yrs, 15yrs, 16yrs & 17+. Ages are determined by the swimmer's age on 31st December 2025.
5. The pool is 50 metres long and anti-turbulence lane ropes will be used together with automatic electronic judging and timing equipment. Backstroke ledges are available.

Heats and Finals

6. Team managers must withdraw any swimmers not intending to swim an event before the start of the warm up of the relevant session.
7. Relay Team Declaration Forms must be posted by the time stated on the form.
8. The warm up will end 5 minutes before the start of events.
9. Competitors in the first event of each session must report to the stewards in the marshalling area of the sports hall 10 minutes before the scheduled start time. Competitors in other events must report to the stewards during the preceding event to that in which they are swimming, or when called by the announcer.
10. Heats for individual events will be seeded using the entry times with the slowest swimmers first. For events with finals (50m & 100m events), the fastest 3 heats will be cyclically seeded and the other heats spearhead seeded. For events without finals, all heats will be spearhead seeded.
11. The fastest eight swimmers in the heats in each age group will qualify for the event age group final. Two reserves will also be allocated for each final.

12. The names of finalists will be announced as soon as possible after the results from the heats are validated by the referee. All swimmers qualifying for finals are expected to swim. Withdrawals should only be made in exceptional circumstances.
13. There will be no swim offs for equal placed swimmers and in such cases the number of swimmers in the final shall be reduced as necessary.

15. Placings for the individual age group awards for events of 200m and longer will be determined based on heat times.

The times of the swimmers in the 15, 16, and 17 years & over finals will be taken into a virtual final and the Senior County Championship Trophy will be awarded based on times in that virtual final.
