A message from the Promoter

On behalf of the Berkshire and South Buckinghamshire Amateur Swimming Association (BSBASA), I would like to welcome you to the combined "Performance Swimming Age Group and Para Swimming County Championships 2026", aka "Counties".

Congratulations to all the swimmers who qualified for the meet this year. We are looking forward to an exciting weekend of speed swimming, as well as a chance to catch up with friends from clubs around the county, a great way to start the year and the long course season.

The format of the County Championships is slightly different from many Open Meets. We hold 3 sessions of swimming each day. At the end of each session an awards ceremony takes place to present the Junior and Senior County trophies and medals. The final session of the day is reserved for the 50m & 100m finals and relay events. A full events listing is available on the next page.

Please be quiet for the start of each race, when the referee blows a series of short whistles. We want the swimmers to be able to focus and hear the start signal clearly. Once they are away from the blocks, you can make as much noise as you like. We welcome strong support for the swimmers from the gallery and poolside and cheer them on.

Following feedback from the clubs, this year we have replaced the tandem relays with some exciting new events. The 4x50m Mixed Freestyle and Medley relays was swum on the Saturday evening of the 1st weekend. Each team comprising 2 open/male and 2 female swimmers but with no age restrictions. This Sunday we will hold the Squadron Relay, 8x50m Freestyle Event. Each team made up from 1 swimmer from each age group and gender category. We are looking forward to some close racing and perhaps even some new county records.

I'd like to thank the leisure centre staff for their assistance with preparing the venue and helping us put on this weekend's competition. A huge thank you to the County Performance Swimming Events Committee for their continuous support, the Championships are only possible thanks for the work you put in throughout the year.

My final thanks go to the officials and volunteers for helping to make this such a fun event to run making thing go so smoothly.

Good luck to all our swimmers here, I hope you achieve your personal goals, whether it is your first time at Counties, or you are an experienced swimmer and aiming for regional and national qualification times later in the year.

For those targeting in April/May this year, a copy of the qualification and consideration times is included on the back page of this programme.

Early next week all the results from the weekend will be posted on our website at <https://www.bsbasa.org> and should also be available on the Swim England Rankings website on Tuesday at <https://www.swimmingresults.org>.

Good luck and Swim Fast!

James Glazebrook

BSBASA Swimming Records

The “County Records” and “Meet Best Times” are included at the back of the programme for your reference. The following provides a short explanation of how the records are compiled.

County Records

The conditions for establishing County records are as follows:

1. An application for a County Record will only be accepted in respect of a swimmer who, at the time of setting the record, has been in continuous membership of a Club assigned to the County Association for a period of at least three calendar months.
2. Records established in County Championships and other events officially promoted by the Association will automatically be credited to the winner concerned. All other records can only be set at Level 1 or Level 2 Swim England licensed meets, or meets at which an English record can be set, and must be **claimed in writing by the swimmer, or person acting on their behalf, to reach the County Performance Swimming Events Manager within two months of the event**, enclosing the timecard, or official results’ sheet.
3. All records must be made in still water. Any movement of water due to the normal operation of the filtration system may be disregarded.

REMEMBER: If you think you have swum a new record time, please contact the records secretary at records@bsbasa.org so the record can be verified and added to the database. Unless your record is swum at the County Championships, we are not able to include it unless you make an application.

4. Long course records shall be made only in pools of 50 metres (or 55 yards length). Short course records shall be made in pools of less than 50 metres and not less than 25 metres length. (N.B. Only long course records are presented in this programme)
5. Note that a Junior record will be recognised if it is made by a swimmer who is under 17 years of age on 31 December in the year of competition. This is different to the Junior County Championship awards which is for swimmers who is under 14 years of age on 31 December in the year of competition.

Meet Best Times

Meet best times are the best times recorded in each event and age-group at the County Championships meet.

Meet best times do not need to be claimed and are compiled by the Performance Swimming Events Manager.

2018 was the first year that the championships for most events were held in a long course pool. The exceptions are the 800/1500m Freestyle which have been held in a long course pool since 2009, although the meet best times only date from 2016 when the age update moved to 31st December.

All county records and meet best times can be found on the [BSBASA Website](http://www.bsbasa.org)

How the Championships are Run

General

1. The County Championships, the County Age Group Championships and the County Para-swimming championships are run as an integrated meet and are governed by the County Championships Conditions and County Age Group Championships Conditions. The key elements are included below.
2. This competition will be swum under Swim England Laws and Technical Rules.
3. The meet has been licensed by Swim England. 10th/11th January - 1SE260002, 24th/25th January 1SE260003. Times recorded at the meet will be accepted for entry into Regional and National Competitions and Championships and will be sent to the Swim England for inclusion in the National Rankings.
4. The age groups are 10/11yrs, 12yrs, 13yrs, 14yrs, 15yrs, 16yrs & 17+. Ages are determined by the swimmer's age on 31st December 2025.
5. The pool is 50 metres long and anti-turbulence lane ropes will be used together with automatic electronic judging and timing equipment. Backstroke ledges are available.

Heats and Finals

6. Team managers must withdraw any swimmers not intending to swim an event before the start of the warm up of the relevant session.
7. Relay Team Declaration Forms must be posted by the time stated on the form.
8. The warm up will end 5 minutes before the start of events.
9. Competitors in the first event of each session must report to the stewards in the marshalling area of the sports hall 10 minutes before the scheduled start time. Competitors in other events must report to the stewards during the preceding event to that in which they are swimming, or when called by the announcer.
10. Heats for individual events will be seeded using the entry times with the slowest swimmers first. For events with finals (50m & 100m events), the fastest 3 heats will be cyclically seeded and the other heats spearhead seeded. For events without finals, all heats will be spearhead seeded.
11. The fastest eight swimmers in the heats in each age group will qualify for the event age group final. Two reserves will also be allocated for each final.

12. The names of finalists will be announced as soon as possible after the results from the heats are validated by the referee. All swimmers qualifying for finals are expected to swim. Withdrawals should only be made in exceptional circumstances.
13. There will be no swim offs for equal placed swimmers and in such cases the number of swimmers in the final shall be reduced as necessary.

15. Placings for the individual age group awards for events of 200m and longer will be determined based on heat times.

19. Senior and Junior County Championship placings for all 50m and 100m individual events will be determined by a "virtual final". The times of the swimmers in the 15, 16, and 17 years & over finals will be taken into a virtual final and the Senior County Championship Trophy will be awarded based on times in that virtual final.
