

NEWS

Bracknell's Andrew Willis and Windsor's Simon Burnett qualified for the GB Team for the London 2012 Olympics on Day 5 of the British Championships held at the Aquatic Centre.

Willis & Burnett qualify for Olympics

Andrew Willis clocked the fastest time for the 200m breaststroke in the world this year to achieve the London 2012 Olympic qualification standard.

An awesome swim by Andrew in his Number 1 event at the British Gas Swimming Championships, held in the brand new Aquatics Centre, led to automatic qualification for the 2012 Olympics. Andrew also broke his own English record in the process.

The 21-year-old Chemical Engineering student from Bath produced a stunning performance to dip more than two seconds under the qualification standard. Andrew was up against team mates Michael Jamieson and Kris Gilchrist in the final, and he passed rival Jamieson 15 metres from home in a perfectly paced race. Andrew's time of 2:09.33 was the fastest recorded in the world this year. Both he and Michael Jamieson, who came second, will be

contesting this event in the same pool in the summer.

Andrew timed his swim perfectly. His team mate Michael Jamieson led to the 150 metre mark but Willis powered down the last 50 to beat his 2:10.49 set at the World Championships in Shanghai last year. He had taken over a second off his record.

For Andrew it was the first time in high level competition he had beaten his Bath ITC

teammate Jamieson. "It really hasn't sunk in yet, I was up there at the last turn so just gave it all I had. I put everything into that race, I just can't believe it", he added.

"It was really competitive," said Willis after winning his first British Championships title. "I just gave everything in the last 50m. I wasn't expecting to be that quick. My coach said 'just go for it' and I went for it.

"This week has been really nerve-wracking for me. It will be a few days before qualifying for the London 2012 Olympics sinks in. A bit of time off is much needed. I will go home, see the parents and family, then go back to training."

Andrew had also reached the 100 Breaststroke final earlier in the week where he recorded a fast PB in the heats but was unable to improve on his time in the semis and final. He came 4th, but any disappointment was put aside as he

concentrated on his No 1 event, the 200.

Andrew's dad, Nigel Willis, Chief Coach at Bracknell & Wokingham, was on poolside at the aquatics centre to see Andrew's Olympic

Qualifying swim. "We are so proud of Andrew's achievement. The years of training and dedication has paid off."

Now for Andrew and the other GB swimmers who have secured their places at

NEWS

Willis & Burnett qualify for Olympics

London 2012, the hard work really begins. For him it's back to the training pool in Bath where work begins on how to shave off those extra vital seconds under the watchful eye of his coach Dave McNulty.

His next appointment will be the heats for the 200 Breaststroke in the Olympics on July 31, Day 5 of Competition in the Olympic pool.

Simon Burnett secured a place in the Freestyle Relay team winning the 100 Freestyle in 49.33 at the Aquatics Centre.

Simon made his international debut at the 2002 Commonwealth Games in Manchester,

winning a 4x200m Freestyle relay bronze medal, before making his Olympic debut two years later and reaching the 200m Freestyle final at Athens 2004.

The 2006 Commonwealth Games in Melbourne proved to be one of the most successful meets of his career so far as Burnett picked up 100m Freestyle gold, 4x200m Freestyle Relay gold and 200m Freestyle silver. Burnett stormed to 100m Freestyle silver at last year's Commonwealth Games and booked his place

at the 2011 World Championships courtesy of winning the 50m and 100m Freestyle double at the British Gas ASA National Championships.

BAGCAT Winners

Boys 10 years & under

Matthew Burton - Windsor (1102)

Girls 10 years & under

Caitlin Mackay - Chesham (1331)

Boys 11 years

Tom Dean - Maidenhead (1356)

Girls 11 Years

Olivia Halcox - Bracknell & Wokingham (2071)

Boys 12 years

Harvey Karavis Windsor (1512)

Girls 12 years

Thanya Jasinska Amersham (2380)

Boys 13 years

Craig Hodges - Bracknell & Wokingham (2174)

Girls 13 years

Zara Ryan - Newbury (2977)

Boys 14 years

James Brindley - Amersham (2364)

County Champs go in to a 5th Day for first time

A blockage in the drainage system at the Magnet Leisure Centre led to the final day of the County Championships being aborted early

because of a health and safety scare. The blockage threatened to contaminate the changing area and possibly the pool.

With the finals of the 50 Breaststroke and all the relays still to be staged, the county's swimming committee hastily reorganised a fifth day of competition to complete the Championship programme.

The reorganised programme went off smoothly, and the 2012 County Championships concluded with the usual BAGCAT awards and the final presentations to the winning relay teams, and also the presentation to the most successful clubs over the whole championships.

This year's Mens award went to Bracknell and Wokingham, while the Ladies trophy went to Windsor.
