50 MATTERS ARISING ON THE MINUTES

42.16 The Hon Secretary reported that Miss S M Harrison and Mr R G Prior had completed their investigation of the complaint by Tilehurst SC concerning the Girls' 100m breaststroke Championships in March 2007. They had concluded that there had been an error in the compilation of the final for the event, and that, given the equal times of the swimmers in question, the final should have been swum with 7, rather than 8, competitors, under Championships Condition 18. In addition, the referee for the session should have been consulted on the enquiry made on behalf of one of the swimmers.

Miss Harrison and Mr Prior had recommended that an apology be made to Tilehurst SC, the swimmer and her parents, which the Hon Secretary had conveyed. They had also made some procedural recommendations, which had been referred to the Swimming Committee.

42.22 It was reported that Langley Manor SC had re-affiliated to ASA South East Region. The Region had deemed a number of schools and the Thames Valley Junior League to be inactive, as they had failed to re-affiliate.

42.29 Attendees reported on the training day for sub-regions and regional discipline groups, arranged by ASA South East Region. Many ideas had been exchanged, which would be incorporated in a report to be published later in the year.

42.32 The President welcomed Ms S Topchik to the Committee.
