27 MINUTES

The minutes of the meeting held on 14 October 2008 were agreed and signed by the President as a correct record, subject to the date of the meeting being corrected to read "14 October 2008" and to the addition of the name of D Mason to those sending apologies for absence.

28 MATTERS ARISING ON THE MINUTES

17/4A The President welcomed Ms J Brown to the Committee.

17/4B Chalfont Otters SC, Tilehurst SC and Windsor SC had respectively nominated Mrs S Westbrook-Burr, Ms T Turner and Mr L Sturgess to serve on the Committee. It was suggested that Mr J Rowley (Bracknell & Wokingham SC) and Mr B Pay (Windsor SC) be similarly appointed.

RESOLVED: That Mr B Pay, Mr J Rowley, Mr L Sturgess, Ms T Turner and Mrs S Westbrook-Burr be appointed as members of the Committee.

17/5 It was again agreed to defer the election of the Diving, Masters, Swimming and Synchronised Swimming Committees.

17/6 The Hon Secretary had been alerted to material published on behalf of the Bulmershe Bluesharks SC about a competition which that club was promoting, in June 2009, at the Magnet Centre, Maidenhead. Aside from any other issues about the published material, the Club had named the event as the "Berkshire Open Disability Swimming Championships". Following consultation with the other Officers of the Association, and with their agreement, the Hon Secretary had written on 18 November 2008 to the Club, objecting to the inclusion of the name "Berkshire". The Officers had considered that calling the event the "Berkshire ..." inferred to others that the Association was promoting the event, which was quite evidently not the case. Neither was the Association necessarily endorsing the event. In addition, the Hon Secretary had drawn attention to ASA General Competition Law 408, which regulated the use of the word "Championships".

The Committee approved and confirmed the action of the Officers and further authorised the Officers to lodge a complaint with the asa Judicial Administrator, under Judicial Rule 153, if the Club did not amend the material relating to the event as requested.

17/15B The Development Sub-Group had met Ms C Smith (SADO, Bucks & Milton Keynes) and Mr P Shaw (Oxfordshire & North Bucks ASA) on 11 November 2008, to discuss the proposed County Training Day.

The purpose of the County Training day was to provide the clubs with a number of CPD courses that were required for Swim21 accreditation. The hope was that, by providing the courses over one day in one location, it would be easier for the clubs and their volunteers to attend the courses that they needed. The day was a joint venture with Oxfordshire and North Buckinghamshire to maximise participation and reduce cost for both county partnerships.

At the meeting, Stoke Mandeville Stadium had been agreed upon as the venue due to its central location and cost effectiveness and the provisional date was 11 October 2009.

A questionnaire would be sent out to all clubs to gain an idea of the courses clubs would like provided for them. Clubs were requested to do their best to complete and return the form, as soon as possible.

It was also proposed to run something for the swimmers, such as a Total Swimming event, contemporaneously with the training day. Swimmer selection criteria would have to be put in place to make sure that all clubs are treated as fairly as possible.

Funding from Swim South East was available up to £500 per sub region, specifically to subsidise up to 33 people per sub region for £15 per CPD course that they attend. The balance of the cost will fall to be met by the 2 sub-regions.

33 SUB-REGIONAL DEVELOPMENT PLAN

The Committee noted that the Association would need to draft a development plan for the period 2009 - 2013, which plan would need to reflect the Region's plan for the same period: it was expected that the Region's aquatic strategy would be finalised in January 2009. The Regional Director, ASA South East Region, indicated that she would like the sub-regional plans really to reflect what the county associations would be able to deliver: she anticipated that there would not be so many targets as in the current operational plan. She aimed to produce a template for sub-regions as a guide/reference and offered to assist the Association with the planning process.

It was suggested that the Development Group meet initially in late February or March, and then consult the affiliated clubs via the website, on a sub-regional strategy. The Group would be augmented with further specialist members, before recommending a plan to the Executive Committee in April 2009.

34 ASA SOUTH EAST REGION

In presenting his apologies for absence, the Hon Secretary had advised that the ASA South East Region Management Board had met on 10 November and 10 December 2008. Most of the business had been "internal" to the Board, although the Board had endorsed the appointment of discipline managers.

The Regional Director presented the ASA South East Region trophies for the top boys and top girls' clubs at the Winter Championships to a representative of Bracknell & Wokingham SC

The Regional Director then spoke to her report, circulated at the meeting, which covered:

- Swim21 update
- Berkshire Return to Swim initiative
- volunteer development and regional bursary scheme
- her liaison with Berkshire local authorities

- a regional staff update
